

# Free Analytical Digests of the Research Centre for East European Studies and its Partners

## Caucasus Analytical Digest

The Caucasus Analytical Digest (CAD) is a monthly internet publication jointly produced by the Caucasus Research Resource Centers, the Research Centre for East European Studies at the University of Bremen, the Institute for European, Russian and Eurasian Studies of the George Washington University, the Resource Security Institute in Washington, DC and the Center for Security Studies (CSS) at ETH Zurich with support from the German Association for East European Studies (DGO).

The Caucasus Analytical Digest analyzes the political, economic, and social situation in the three South Caucasus states of Armenia, Azerbaijan and Georgia within the context of international and security dimensions of this region's development.

## Russian Analytical Digest

The Russian Analytical Digest (RAD) provides twice-monthly analyses of recent events, trends and developments within contemporary Russian politics, economics and business, foreign policy, security and society. Each issue contains original academic and policy relevant research articles by authors from across the globe, and topical statistical data, graphics and opinion polls. The series is produced by a partner network that includes the Center for Security Studies (CSS) at ETH Zurich, the Research Centre for East European Studies at the University of Bremen, the Institute for European, Russian and Eurasian Studies at the George Washington University, and the German Association for East European Studies (DGO).

The series is partnered with the German language publication Russland-Analysen, the Russian Regional Report, and the Caucasus Analytical Digest (CAD).

## Bibliographies

The Research Centre for East European Studies at the University of Bremen produces quarterly bibliographies of recently published English- and German language books and articles in academic journals on several Central and East European countries. The bibliographies cover publications which deal with politics, international relations, economics, social and environmental issues.

Currently, the following countries are included: Belarus, Russia, Ukraine, and the countries of the Caucasus and Central Asia. From 2005 to 2014, the Czech and Slovak Republics and Poland were covered as well.
